

Metric (Tempo) Modulation

Aural Skills IV

Deduce the metronome marking for each section and write it in. When a subdivision stays constant but the beat changes, you have to know the speed of the little note (for instance, if quarter=90, sixteenth=360). Perform by conducting the appropriate meter and speaking "tah." Perform at the indicated tempi. Do the accents!!!

Tempo giusto ♩ = 80 (♩ =) ♩³ =

♩ = ♩ (♩ =) ♩³ = ♩ (♩ =) (♩ =)

♩ = ♩ (♩ =) ♩ = ♩ (♩ =) ♩ = ♩ (♩ =)

♩ = ♩ = (♩ =) ♩ = ♩ = ♩ = 70
